

Bug Report of Vender Web Application:-

1. Currently the user is present in the pending order page but **highlighter** can not be on the pending order content.

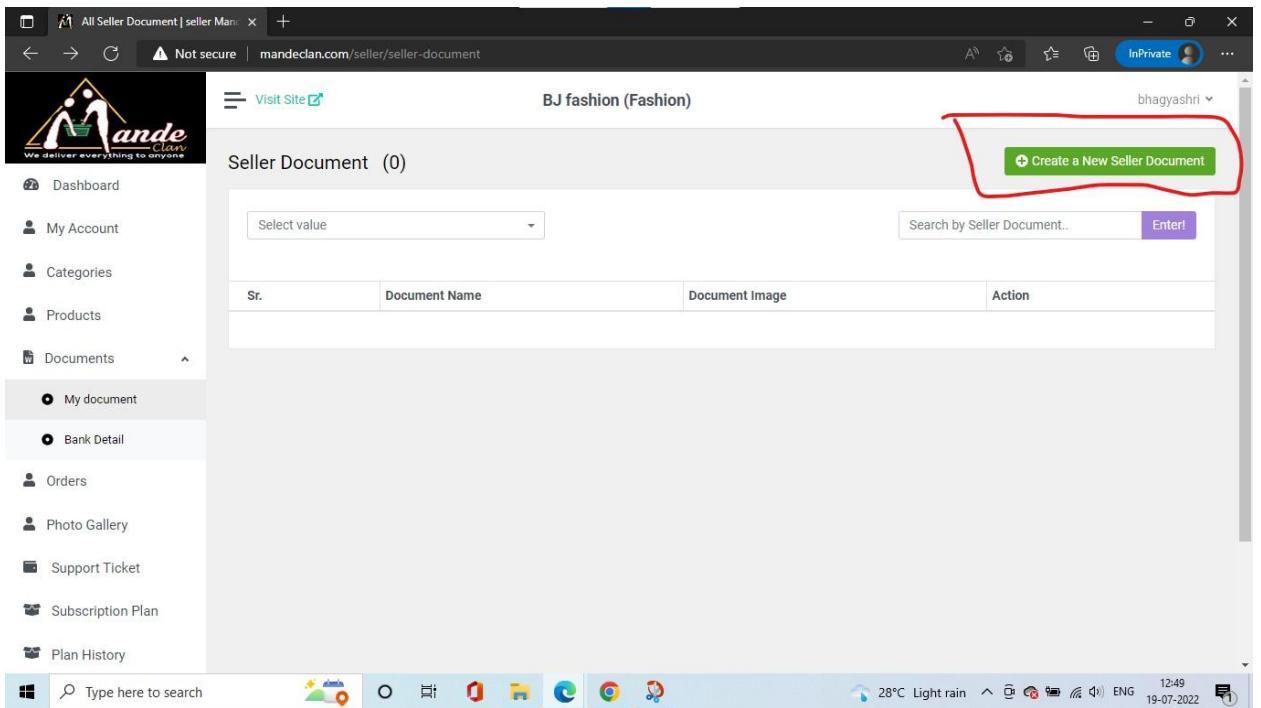

- **Heading→ “Pending Order”**

The screenshot shows a browser window with the URL <https://mandeclan.com/seller/orders?search=Pending>. The page title is "Bombaywala Departmental Store (Fashion)". On the left, there's a sidebar with links like Dashboard, My Account, Categories, Products, Documents, and Orders. Under Orders, there are four options: All Orders, Pending Order (which is selected and highlighted with a red circle), Canceled Order, and Approved Order. Below the sidebar is a table titled "Pending" showing 12 orders. The columns include Sr., Order Date, delivery date, SubOrder Id, User Id, Total Items, Delivery Area, Status, R Mode, Payment Status, Invoice, and Act. The first order is for Cust#68982022, Adil Ahmed, with a total of 2 items and a delivery area of N.M.C. Complex(J.B), 1, Mangalwari, Koradi Colony, Nagpur, Maharashtra 440001, India. The status is \$ 8.91 COD Pending.

2. Customer→ Should not add items in the add to cart.

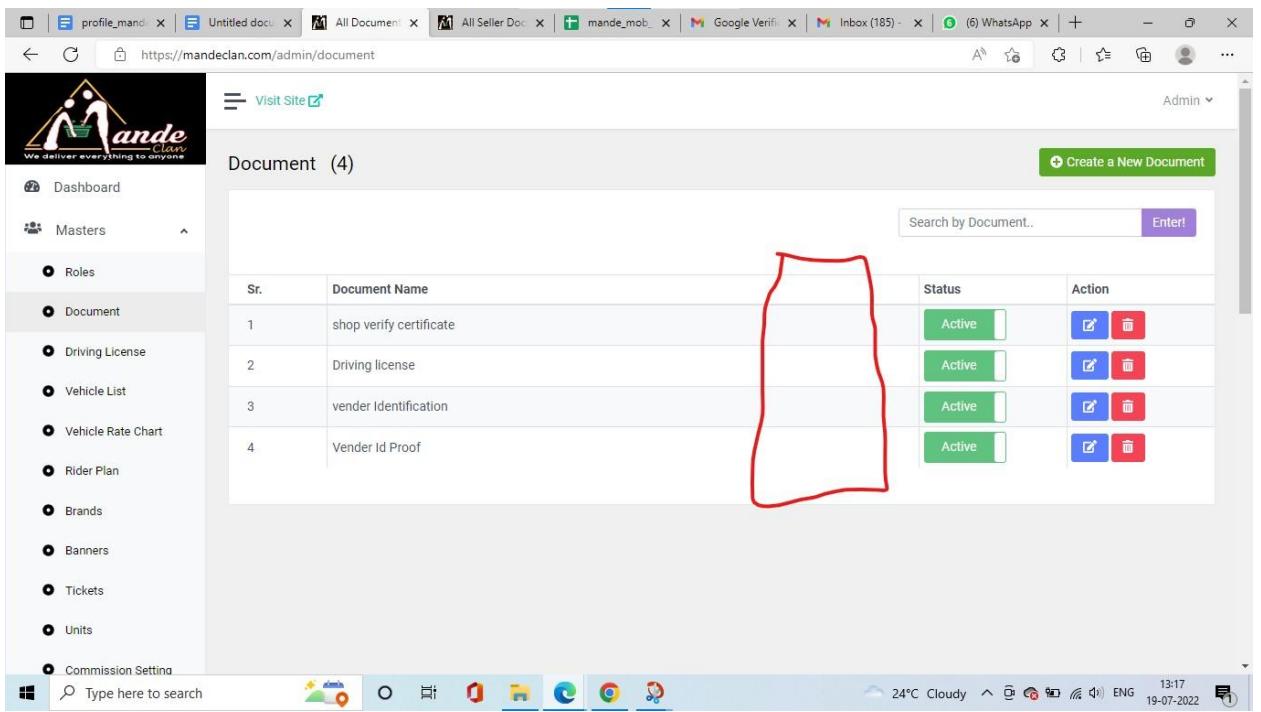

The screenshot shows a browser window with the URL <https://mandeclan.com/order/bj-fashion-fashion-bardi?category=7>. The page title is "BJ fashion". At the top right, there's a user profile icon with the name "Client || Adil" and a red circle around it. The main content area shows the "BJ fashion" logo, a "No Image Available" message, a "0+ Rating" button, and a "LIKE" button. Below this is a navigation bar with categories: Women, Men, Kids, Perfume, Belt, Nail polish. The "Women" category is selected and highlighted with a green arrow. The main content area shows a "Category" sidebar with checkboxes for Men, Women (which is checked and highlighted with a red circle), Kids, Perfume, and Belt. The main content area also shows a "Women Fashion" section for "jeans" with a "no image" placeholder, color selection (blue), size selection (S), price (\$ \$), quantity (1), and a green "Add to Cart" button.

3. “Add document” instead of “create a new seller document”.

A screenshot of a web browser showing the 'Seller Document' section of a platform. The left sidebar has a 'Documents' category selected. The main area shows a table with columns for Sr., Document Name, Document Image, and Action. A green button at the top right labeled 'Create a New Seller Document' is highlighted with a red box. The status bar at the bottom shows the date as 19-07-2022.

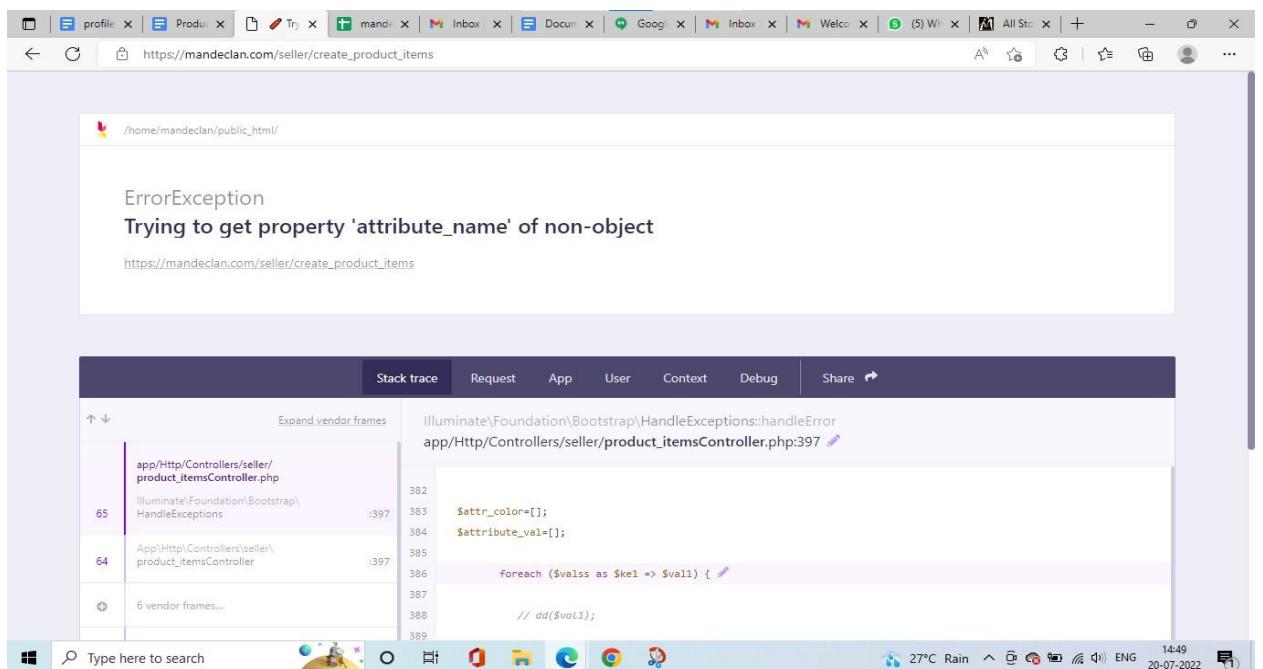

4. Admin→document approval→ Add one more column “Document category”

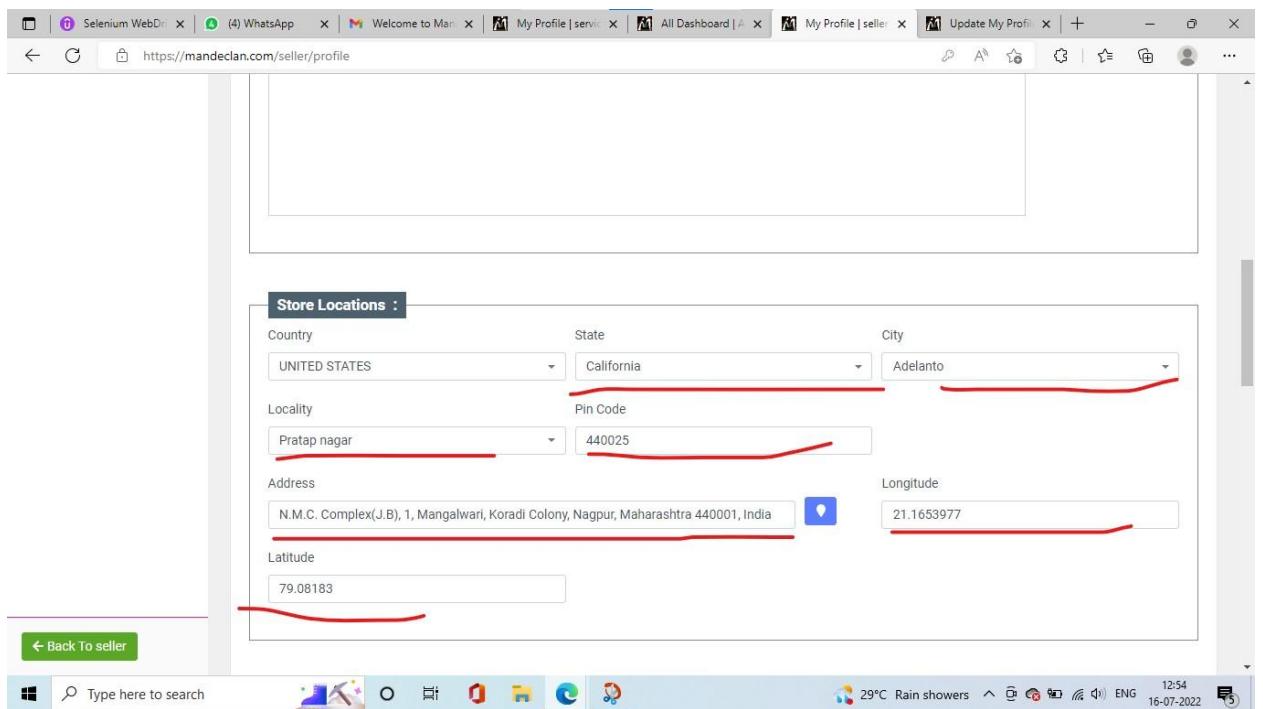

A screenshot of a web browser showing the 'Document' section for administrators. The left sidebar has a 'Document' category selected. The main area shows a table with columns for Sr., Document Name, Status, and Action. The 'Status' column is highlighted with a red box. The status bar at the bottom shows the date as 19-07-2022.
